Street Fighting for Weeks.

Bloody street fighting has raged for weeks in the city, the onetime 'jewel of the Danube," with its defenders supplied by air.

Moscow has announced capture of more than 112,000 enemy troops in Budapest, and last night declared the core of organized resistance had been broken with seizure of the royal palace and ancient fortress on the west bank of the Danube in Buds. Pest, the other half of the city on the east bank, was cleared January 19. Thousands of Germans have been killed.

circlement" was smashed, the Ger-

Bitter Defensive Fight. Budapest was considered so im-

portant in the Nazi scheme of war that German troops fought street by street to defend it. Although the Red Army reached its outskirts from the southeast in the first week of November, it was not until December 27 that troops broke into the city from the southwest after encircling it.

Budapest is important not only way to Vienna, 130 miles to the include any of the enemy troops highway between Elbing and Koen-

Once a gay and fashionable spa rivaling Vienna as a cultural and tourist center, Budapest was turned into a Nazi arsenal. To its millslargest in all Europe-and its electrical, chemical, shipbuilding and textile works, the Nazis added aircraft plants and machine factories. A steady stream of war supplies moved across the broad Danube

River, which splits the city. Standing at the crossroads of Europe, Budapest is the junction of 14 ings, but in other places they apmain railways and the hub of ar- peared to be well supplied with amterial highways toward Austria, Germany, Romania and Yugoslavia.
